

March 28, 1985

Dear Mrs. Roberts,

Last fall we talked informally about my presenting a Memorial Show of my parents Frederick H. Buehly and sole-she work in the Association's galleries next September after your regular season.

Now I am writing you and the membership with a formal request. I know you are making plans for your 1985 season and hoped a three week period in September might be arranged. I will be happy to take full responsibility for the preparation of the show and to honor the automatic percentage the gallery places on sales.

I know that my parents have

been an integral part of the Association since the early 1950's and there may be members who would like to honor them by helping on the Langley committee. I would be delighted to extend an invitation and welcome all who would like to be part of this endeavor to honor two dedicated artists.

Due to the amount of preparation that I must do for this show may I please ask the membership to come to a decision as soon as possible, certainly no later than June 1st 1985.

Thank everyone for their co-operation and sincere consideration.

May the 1985 season be a successful and profitable one for all.

Yours truly,
Dorothy Burdette Capuilla
